Note from the Program Director: Bert Adams Merit Badge Policy

All merit badges at Bert Adams Scout Camp are subject to partial completion. If a Scout cannot meet all requirements during the Winter Camp session, a partial completion is issued. Contingency plans for incomplete badges are evaluated on a case-by-case basis by the Program Director, considering the specific requirements in question. Under no circumstances will any merit badge requirement be altered or waived due to factors outside of the camp's control.

Some merit badges require the use of a digital device such as a smartphone, tablet, or laptop. Families may choose to send these items with their Scout at their own discretion. Bert Adams Scout Camp is not responsible for loss, theft or damage of personal electronics.
