

2026 Woodruff Geocaching Challenge

This form must be turned into the camp office by lunchtime on Friday.

Geocaching is a worldwide game using the global positioning system (GPS). You may use either a GPS unit or cellphone to locate hidden “caches” of various sizes around camp. All the Woodruff geocaches have a form clearly identifying them as an official Woodruff geocache and an early American hero name for that specific geocache.

To earn The Woodruff Geocaching Challenge Award, find at least 10 of the 15 geocaches on this list. When you find them, sign the log and record the early American hero name found at the geocache. When you have documented at least ten, turn your form in at the camp office and you will receive a special Woodruff Geocaching Challenge patch. The Woodruff Geocaching Challenge Award may be earned by both Scouts and Adult Leaders.

The geocache container can be as small as an acorn or as large as a shoebox. If it contains goodies (known as swag), please only take an item if you leave something in its place. On the log record your name, date and troop. **Please place the cache back exactly where you found it!**

PLEASE PLACE THE CACHE BACK EXACTLY WHERE YOU FOUND IT!

Cache #	Title	Coordinates		Size	Patrol Animal
1	Benchmarked at Sharp	N 34° 56.007	W -84° 8.213	Large Box	_____
2	The Fork by the Field	N 34° 56.024	W -84° 8.434	Medium Box	_____
