CLASSIC SCOUTING FUN WITH MODERN COMFORTS AT BERT ADAMS

Ask almost anyone what comes to mind when you mention “Scouts,” and most will think of camping, adventure, and the outdoors. Bert Adams Scout Camp was built with that spirit in mind, offering a summer program that is fun, exciting, and filled with opportunities to learn and grow. With modern facilities supporting both outdoor skills and new experiences, Bert Adams is where Scouts challenge themselves, build friendships, and create lasting memories.

Experienced Leadership

Trained and dedicated staff members direct activities and facilities, providing one of the best Scouting experiences in the country.

Ride, Don't Run

It's easy to get to all 1,411 acres of Bert Adams Scout Camp by bicycle. Scouts and leaders are encouraged to bring helmets and bikes to ride between classes and activities.

Enjoy Our Modern Amenities

Eat your meals in our air conditioned dining hall. Stay connected with our WIFI-enabled leader's lounge.

Aquatics

Bert Adams Scout Camp gives you plenty of opportunities to cool off by the lake or in our swimming pool. Try the challenge of the mile swim!

COPE/Climbing

Bert Adams Scout Camp offers a high-altitude climbing tower and a Challenging Outdoor Personal Experience (COPE) course. These facilities include a 62-foot climbing tower, a zip line, and team-building rope courses.

Rawhide 1st-Year Camper Program

This structured program for first-year campers focuses on rank advancement and building the skills to help them get the most out of their Summer Camp experience.
