The Webelos Woods program has been designed to give Webelos and Arrow of Lights Scouts the greatest opportunity to learn basic Scouts BSA skills and stay excited about Scouting. This program requires some independence and maturity. Scouts will be divided into patrols and will participate in round robin activities.

## The Webelo Woods Program Includes the Following Elements:

**Outdoor Skills** - Saturday will be spent in their own camp area learning basic outdoor skills. These activities will include:

- Team Building Games
- Knot Tying
- Fire-building & Safety
- Survival Skills
- First Aid
- Outdoor cooking (Scouts will prepare lunch and dessert while)
- Leave No Trace etiquette
- Webelo Walk About
- Build It Elective
- Outdoor Code

**Range & Target Activities** - Webelos & Arrow of Lights will have dedicated range time from 4 - 5pm.

Parents and Leaders are **not required** to stay in the Webelo Woods program area. Our volunteers will provide all needed supervision. We use this as a growing experience of independence for the Youth to prepare them for the Adventures of Scouts BSA.
