Join us at Cub-a-Ree!

Join us for an epic springtime adventure! The fun kicks off Friday night as you battle for your team during an all-out Capture the Pizza showdown! On Saturday, the action cranks up even more: build your own Solar Pizza Oven and gear up for a full day of nonstop, ninja-powered fun. Test your skills on our obstacle course, team up with your Pack for paintball slingshots and splatter-paint archery, and dive into adventures totally worthy of the Heroes in a Half Shell.

Older Cubs, get ready for Webelos Woods! Level up your training as you master key 1st-year Scout skills, work side-by-side with fellow Webelos and AOLs, and take on challenges deep in the “dojo woods.”

Range & Target Activities

Become a Turtle-trained sharpshooter as you test your aim with safe, skill-building target adventures.

Inflatables

Bounce, slide, and tumble through an action-packed inflatable zone worthy of a Turtle training dojo.

Climbing

Scale new heights like a ninja-in-training as you climb, crawl, and conquer the wall.

Art, Crafts and STEM

Invent, design, and create like Donnie as you explore hands-on projects and gadget-building fun.

Fishing

Kick back by “Splinter’s Pond” and reel in big fun as you learn fishing Turtle-style.

Activities & Games

Race, solve, and play your way through fast-paced ninja games inspired by the heroes in a half shell.

Volunteer at Spring Family Cub-a-Ree

It takes a large team of volunteers and staff to make Cub-a-ree an amazing experience for our Scouts. Scout BSA Troops or individual Scouts are encouraged to volunteer to help at this event. Volunteers will have meals, lodging, and a patch, plus service hours. If you are interested in volunteering, please contact Program Executive Stacy Sepeda at Stacy.Sepeda@Scouting.org
