

FRIENDS of SCOUTING

Scouting is fun with a purpose, providing youth with programs and activities that allow them to try new things, provide service to others, build self-confidence, and reinforce guiding values.

Why Should I Give to the Friends of Scouting Campaign?

The Friends of Scouting campaign provides roughly one-quarter of the money needed to support the Atlanta Area Council's camps, programs, and training for a year. These camping and training facilities are the "outdoor classrooms" in which Scouts have fun, learn leadership skills and develop into young adults.

Your Contribution Will Make a Life Changing Impact.

The Friends of Scouting Campaign directly supports youth across metro Atlanta with the best possible Scouting experience.

Scouting not only fosters strong moral values and community involvement but also plays a critical role in workforce and leadership development.

By supporting Friends of Scouting, your business helps cultivate a generation of young people who learn values like being trustworthy, loyal, kind, brave, thrifty, and civic-minded leaders prepared to contribute to a thriving workforce and a stronger community.

Your financial support ensures these opportunities are available to all youth, empowering them to become future innovators, leaders, and contributors to the economy. Together, we can build a better future for your business and the community we all share.

The funds raised through Friends of Scouting helps the Atlanta Area Council locally and directly to pay for things like:

- **Affordable Scouting for All:** Maintain low costs while delivering high-quality programs for your child and others.
- **Expand Outreach:** Bring Scouting to more youth, especially in underserved communities.
- **Enhance Program & Camp:** Provide safe, engaging experiences that strengthen family connections.
- **Support Volunteers:** Empower volunteers with better training and resources to improve unit support.
- **Invest in Resources:** Improve efficiency and service with trained staff and upgraded technology.
- **Build a Sustainable Future:** Ensure Scouting's long-term impact with smart resource management.

How Scouting is Funded

“As a second-generation Eagle Scout, I continue to value the discipline, leadership skills, and self-confidence that Scouting instilled in myself as I progressed through the ranks in my youth. Even 35 years later, those life lessons still guide my commitments at home, work, and in the community. I'm proud to play a small role in helping provide those same opportunities to today's youth.”

Arthur Mills

Chief Operating Officer, America's Promise Alliance

Local Businesses Step Forward to Teach Future Leaders!

Through support of organizations like yours, Scouting introduces youth to careers, trades, and possibilities they may never have imagined, sparking curiosity, building confidence, and planting seeds for lifelong passions. The lessons of Scouting, from leadership to teamwork, last far beyond their time in uniform.

The Atlanta Area Council hosts several Merit Badge and STEM-focused events each year, open to Scouts and non-Scout youth eager to explore professional trades and skills. These events feature Atlanta's leading business professionals across a range of industries, offering hands-on learning and insights into various career paths.

Make a Positive Impact on Your Community Through the Development of its Youth.

"As a business executive, I see firsthand the importance of strong leadership, teamwork, and problem-solving skills in the workplace—qualities that Scouting instills in young people from an early age. Through hands-on experiences and values-based learning, Scouts develop the resilience, confidence, and work ethic that employers value."

Supporting Scouting is not just an investment in youth; it's an investment in the future of our workforce and our communities. *"*
