Field Sports Director

Reports To	Program Director and assigned Assistant Program Director
Supervises	Field Sports Staff
Program Area	Field Sports
Minimum Age	18

Position Summary

Responsible for the effective operation of the Field Sports and activity area, which offers Personal Fitness, Athletics, and Sports merit badges as well as other weekly activities.

Requirements

- Must be at least 18 years of age.
- Must be a registered member of Scouting America.
- Prior camp or Scouting leadership experience preferred.
- Working knowledge of the relevant merit badges and proficiency in related skills.

Key Responsibilities

- Assist Field Sports staff in developing lesson plans for Personal Fitness, Athletics, and Sports merit badges.
- Instruct Scouts in correct and safe use of Field Sports equipment.
- Follow lesson plans and present engaging classes.
- Manage minor disruptive behavior positively and escalate policy, safety, or discipline concerns as needed.
- Maintain participant safety and keep the area clean and organized.
- Promote healthy living, particularly hydration.
- Use program supplies responsibly and teach Scouts to do the same.
- Keep accurate class attendance records.
- Assist elsewhere in camp as needed.
- Model the Scout Oath and Scout Law and maintain positive morale.
- Serve as a troop guide when assigned during weekly arrivals and stays.
- Perform other duties assigned by the Camp Director or Program Director.

Expectations for All Camp Staff

- Promote Scout spirit and enthusiasm; assist with camp-wide activities and events.
- Be punctual, prepared to work outdoors in Georgia summer weather, and maintain a positive attitude.
- Set a positive example by following camp rules, the staff guidebook, and the Scout Oath and Law.

- Keep the program area, camp, and personal appearance clean and neat.
- Participate in campfires, songs, skits, and other camp activities as needed.
- Support visiting units, promote hydration and healthy living, and assist in other areas when needed.
- Help with camp setup and takedown and be prepared to follow emergency procedures.
