Aquatics Instructor

Reports To	Aquatics Director
Supervises	N/A
Zone	Swimming Pool and Waterfront

Position Summary

The Aquatics staff assists in the Aquatics area of camp, which teaches Swimming, Lifesaving, Kayaking, Canoeing, Small Boat Sailing, and Motorboating merit badges, as well as the BSA Lifeguard Award, Snorkeling BSA Award, and Mile Swim.

Requirements

- Working knowledge of the listed merit badges and Aquatics programs, with proficiency in the related skills.
- Must be at least 15 years of age.
- Must be a registered member of the Boy Scouts of America.
- Must hold certification in Lifeguarding and CPR for the Professional Rescuer.

Key Responsibilities

- Assist the Aquatics Director in developing lesson plans for the listed merit badges and programs.
- Instruct Scouts in the correct and safe use of Aquatics equipment.
- Follow lesson plans and present engaging classes.
- Manage minor disruptive behavior positively and refer policy, safety, or discipline concerns to the Aquatics Director.
- Under the Aquatics Director's supervision, help ensure participant safety and keep the Aquatics area clean and organized.
- Use program supplies responsibly.
- Maintain accurate attendance records for classes taught.
- Assist in other camp areas as needed.
- Learn and be prepared to carry out pool and waterfront emergency procedures.
- Model the Scout Oath and Scout Law.
- Maintain positive morale.
- Promote healthy habits, including hydration and sunscreen use.
- Perform other duties assigned by the Camp Director or Program Director.
